# Assembly Instructions

## The story bench duo/trio

Before you commence the assembly process we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the final page of these instructions. PLEASE NOTE: The assembly process for both Duo and Trio is identical.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

The Story bench trio

# The story bench duo/trio

## Step 1

Ensure that you have all of the correct parts as listed on the front page of these instructions, including any fixings.

## Step 2

Lay the bench back as shown on a clean, flat surface taking care not to damage it.

## Step 3

Now line up the underside of the seat panel with the pencil marks on the seat back, ensuring it is aligned centrally on chair back and fix into place using 2 of the coach screws through the predrilled holes..

## Step 4

Stand the bench up vertically (using an assistant if necessary)...

## Step 5

...and line up the first post as shown so that its front edge is flush with the front edge of the seat panel frame and it is at 90° to the seat panel.

## Step 6

Working from under the seat panel, attach the post using a coach screw through the pre-drilled hole.

## Step 7

Repeat Step 5 & 6 so that both posts are now attached.

## Step 8

Align the underside of the arm with the pencil mark on the bench back and screw the arm into the top of the post with 2 x green woodscrews. Attach the other arm in the same fashion.
