# ASSEMBLY INSTRUCTIONS

## THE BARROWDEN TABLE

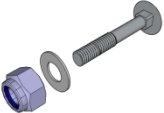

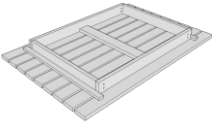

Before you commence the assembly process we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the final page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

**Please note:** The assembly process shown here is for our Barrowden dining table. However, the same process applies to *all* of our Barrowden table models.

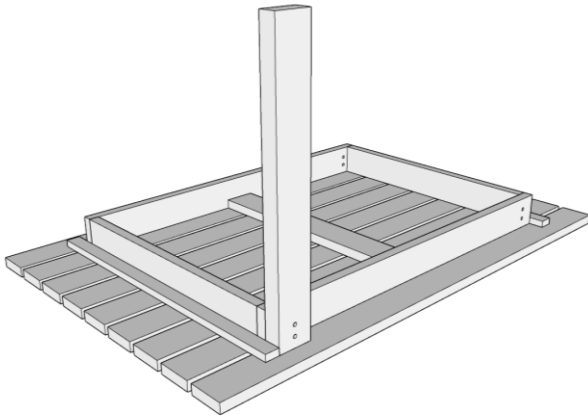

**Tools required:** 13mm socket or spanner, Hammer

## Components

8 x M8 Nut, bolt and washer	1 x Table top	4 x leg		
				

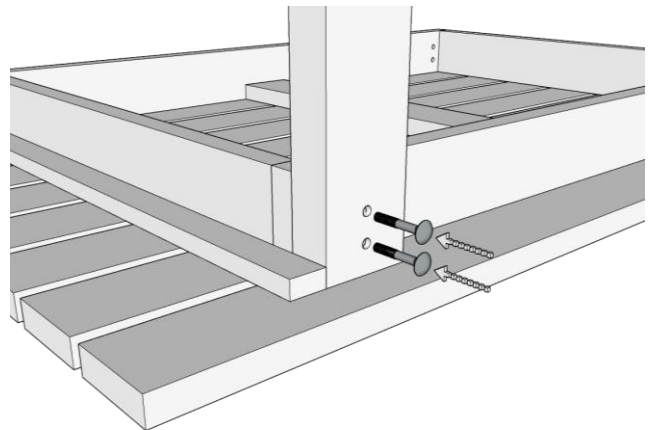

# THE BARROWDEN TABLE

## Step 1

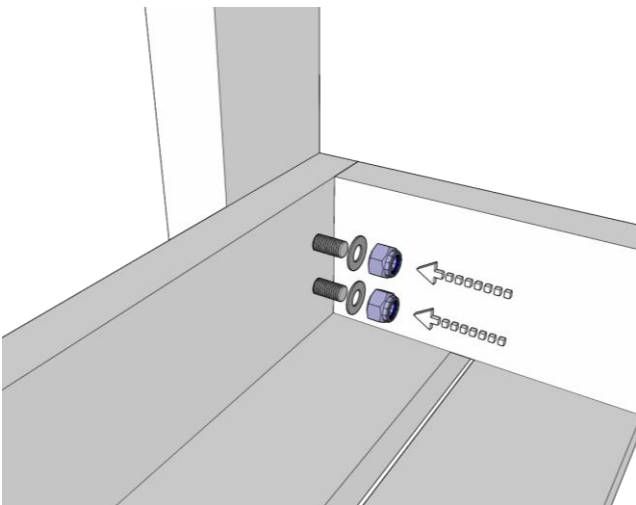

Place the table top upside down as shown and take one leg so that the holes in the leg are aligned with those in the table top.

## Step 2

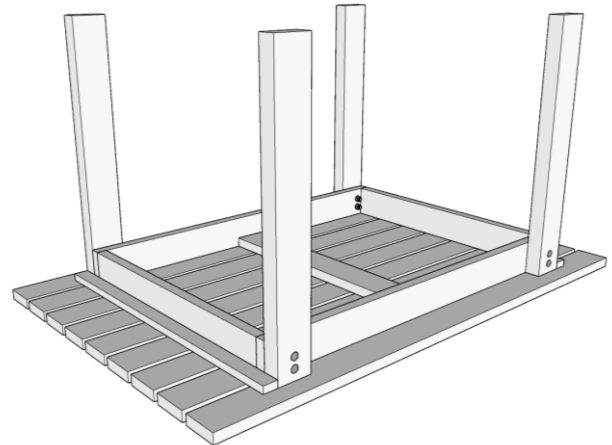

Now push 2 of the M8 bolts into the holes, using the hammer if necessary to drive the bolts fully into place.

## Step 3

Place an M8 washer and nut onto each bolt and fully tighten.

## Step 4

Repeat adding legs in the same fashion until all 4 are attached securely. Your Barrowden table is now complete.

We hope that you found your product quick and easy to assemble but if not and you require any further assistance or have any questions you can contact us by telephone on: **01778 440803**
