Assembly Instructions

Lyddington picnic bench

Before you commence the assembly process we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the final page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary.

Step 1

Ensure that you have all of the correct parts as listed on the front page of these instructions, including any fixings.

Step 2

Lay the table top upside down on a clean, flat surface taking care not to damage it. Now line up one of the table A-frames centrally on the table top as shown in step 3.

Step 3

Place one of the table A-frames centrally against the fixing batten ensuring that the gap at the table edge is the same on both sides.

Step 4

Now, using 2 of the supplied 70mm coach screws and the pre drilled holes, secure the table A-frame to the fixing batten on the table top.

Step 5

Place a cross brace in position as shown, ensuring that it is flush with the underside of the table A-frame and lined up centrally on the table and attach it to the A-frame with a 60mm coach screw.

Step 6

Make sure that the brace is still aligned centrally on the table and affix the other end to the table top with a 60mm coach screw as shown. Repeat steps 3 -6 to finish the table assembly and proceed to step 7.

Step 7

Locate the letter on each of the A-frames where the back rest supports will be located...

Step 8

...and find the corresponding back rest support. There will be an A, B,C and D.

Step 9

Offer up the back rest support to the A-Frame as shown in the image and attach back rest support using 2 x 60mm coach screws, first into the A-frame cross member...

Step 10

...and then 2 more into the A-Frame leg.

Step 11

Repeat steps 7 - 10 until you have attached all of the back rest supports as shown above.

Step 12

Place the seat panels on the A-Frames and ensure that the back of the seat panel lines up with the pencil mark on the top of the A-frame cross member.

Step 13

Once lined up correctly, secure the seat in place using 2 x 70mm coach screws.

Step 14

Repeats steps 12 -13 so that both seat panels are fixed in place as shown.

Step 15

Now offer up one the back rest panels and fix into place with 70mm coach screws at both ends of the bench, ensuring that the top of the back rest panel batten is flush with the top of the back rest support as shown in the image. Repeat for the other back panel.

Step 16

Finally, cover any exposed coach screw heads with the cover caps provided. Your Lyddington picnic bench set is now complete.
