# Assembly Instructions

## Whitwell/Braunston octagonal/circular Table

Before you commence the assembly process we recommend that you read these instructions thoroughly beforehand to familiarise yourself with the assembly process and to also check that you have the correct components. If for any reason you need assistance, you can find our contact details on the final page of these instructions.

We highly recommend that any assembly is carried out on a flat, level surface if possible and that you use another person to assist you if necessary. (The Illustrations show Whitwell Octagonal assembly, but the process is identical for all table models).

Whitwell octagonal table

# Whitwell/Braunston table

## Step 1

Ensure that you have all of the correct parts as listed on the front page of these instructions, including any fixings.

## Step 2

On a flat, level surface take the bottom A-frame, which is identified by the slots being on TOP of the cross piece...

## Step 3

...and slot the top A-frame onto it as shown.

## Step 4

Now secure the 2 frames together using 4 x 75mm screws, where the 2 frames intersect as shown.

## Step 5

Carefully lower the table top onto the frame assembly and centre it on the legs...

## Step 6

...and then confirm the correct alignment by looking directly down through the parasol hole.

## Step 7

Now attach the table top to the leg assembly using 2 M8 70mm coach screws per leg.

## Step 8

Lower one of the seat panels onto the frame as shown above (with the back rest outermost for a Braunston)...

## Step 9

...and attach it to the leg using a 70mm coach screw...

## Step 10

...noting the clearance between the seat and the upper surface of the frame assembly before screwing into place. Repeat steps 8 - 10 for the remaining seat units.

## Step 10

Cover any exposed screw heads with the supplied cover caps. Your Whitwell/Braunston table is now complete.
